Section 1.—The confederation of churches shall be known and called by the name of New Found Baptist Association.

Section 2.—The object of the Association shall be to promote the glory of God on earth by preaching of His Son, Jesus Christ, our Savior, the universal spread of the Holy Bible, the word of the true God, and by other appropriate means.

Section 3.—This Association shall consist of messengers from the churches forming the Union, and such other Baptist churches as may hereafter be received as members thereof.

Section 4.—Each church shall be entitled to as many as seven representatives as delegates to the Association.

Section 5.—The officers of this Association shall be a Moderator, a Vice-Moderator, a Clerk and Treasurer and Assistant Clerk. These shall be ex-officio members of the Executive Committee.

Section 6.—Baptist churches not before united in an Association or those dismissed from other Associations, or those deliberative assemblies of the faith and order of the churches now associated, may be admitted as members into this Union by a majority consent of the Messengers present: provided, they give satisfactory evidence that they are orthodox in faith and correct in practice of the Gospel from other Associations.

Section 7.—This Association shall regard the churches independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

Section 8.—As every church is an independent body, amenable so far as authority is concerned to the Great Head of the church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit, provided that such church shall be granted letter of removal. While, however, it chooses to continue in this connection, the Association must have a relative right to inquire into its standing, whenever it may be necessary to do so, and in case of dissatisfaction withdraw from it.

Section 9.—That a church ignoring and not abiding by the Constitution and By-Laws of the New Found Baptist Association that a church walking off and joining another association without asking for a letter, if it comes back that it must give sufficient apologies to the Association before being taken back.

Section 10.—In case of internal dissension in a church, and of two parties coming up to the Association, each claiming to be the church,

neither party shall take a seat until the question is decided which party is the church in union with the body and the decision shall be made on the same principles on which admission of the church is made, viz: The majority concurrence of the messengers. If neither party obtains a majority vote, the church will be considered dropped. No charges shall be received against a church unless presented from two or more churches in the Union, through their Messengers.

Section 11.—It shall be the duty of the Association to ascertain the general condition of its constituent churches; devise means to promote their harmony and increase their spirituality and efficiency; to promote the cause of truth and righteousness.

Section 12.—The Association shall hold annual sessions to convene on Thursday before the third Sunday in August in each year, and not adjourn until all business shall have been regularly finished, unless circumstances imperatively demand. The place of meeting shall be determined at each previous meeting and published in the minutes.

Section 14.—The Association earnestly requests the churches annually to report their general condition, and to furnish information subjects brought to their notice by the body, and likewise to make up such contributions as may be able to aid in disseminating the truth as contained in the Holy Scripture and in promoting the Redeemer's Kingdom on earth.

Section 15.—The neglect or failure of a church to be represented by a messenger or messengers to the Association for three consecutive years, or report sent in, shall be cause to withdraw from such church, at the discretion of the Association.

Section 16.—Amendments may be made to the Constitution at any meeting of the Association by a vote of two-thirds of the members present: Provided the same shall have been published in the Minutes of the preceding year.

Section 17.—The constitution shall be printed in the Minutes of the Association each year and in force on and after the annual session of the preceding year.

AMERICAN BIBLE SOCIETY REPORT

The American Bible Society founded in 1816 is one of the oldest Missionary Societies in America. It helps to provide the Word of God,

for world wide mission work. Here are four ways in which that it helps:

1. It helps supply a foreign or home missionary with scriptures., in the language of his people, or a student who has served as a summer missionary, or is a mission volunteer.

2. It supplies a local missionary or Pastor who uses Scriptures Published by the Bible Society for special needs such as large type scritpures for persons with failing eye sight; also Gospels and other separate books of the Bible, useful in visitation and in evangelistic programs.

3. It supplies Scriptures in Braille and on Talking Records for the blind.

4. Provides Bibles, Testaments, and other Scripture volumes, for men and women in the Armed Forces.

We can help send the word of God to those at home and abroad, by our offering to the American Bible Society, that the word of God be made known to those whom we can not personally preach and teach to.

AFTERNOON SERVICE

1:30 P. M. Song service by choir. Prayer by Rev. Ray Woody. Welcome to Visitors, (See under heading, Visitors).
Hospital Report called for.

HOSPITAL REPORT

Our Baptist Hospital continues to try to serve our people in the fullest measure possible. Last year it provided its largest number of days of hospital care and saw the largest number of patients in the Clinics—78,000 visits to the Out-Patient Clinics, from 96 of the 100 counties in the State, and 75,000 Private Clinic visits.

The New Progressive Care Unit was opened in March, providing 80 beds for patients who do not require the more expensive and intensive care of the regular hospital. This is a new and advanced step in hospitalization and patients are highly pleased with it. The Hospital's one regret is that at the present time it does not have money necessary to open it to Service Patients.

A new type of unit for the sterilization of surgical and other equipment by gas was recently installed. This is more effective than the older methods used in the fight against infection, which is a constant problem in all hospitals. In the X-Ray Department a rapid film developer is now in use which greatly speeds the preparation of x-ray films.

One of the most recent additions is a Pastors' Library given by Mrs. Walter M. Williams of Burlington in memory of her noble Christian husband. All pastors and others are invited to ask about this excellent

collection of religious books and to use it when they visit the Hospital.

Among the many needs at our Baptist Hospital, there are some which are acute. One of the most pressing needs is a building to provide classrooms and other facilities for the eight schools operated by the Hospital. These schools are training urgently needed medical personnel and Christian workers in addition to doctors. They are badly limited and handicapped for lack of room.

The need for enlargement of the overcrowded and seriously limited Out-Patient Department, Children's Center, and Psychiatry section of the Hospital is urgent. The need is far beyond the present facilities in each of these departments.

The constant need for Mother's Day Funds for helping Service Patients bear the cost of their hospitalization grows more and more acute. We cannot emphasize too strongly the importance of this Fund and the need for our churches greatly to enlarge their Mother's Day Offerings.

A new opportunity to help meet this need is now open in the Service Patient Endowment Fund. This is a permanent endowment invested by the Hospital's Trustees with all of its proceeds being used for the help of Service Patients. Gifts in any amount can be made at any time. A gift can be made in one's own name, in memory of a friend, as a memorial to a loved one, or the Endowment can be placed in one's will. All gifts will be gratefully received, appropriately acknowledged, and a permanent record kept of each one. We hope you will think and pray about this and that many will take advantage of this opportunity.

Children's Home Report called for.

BAPTIST CHILDREN'S HOMES REPORT

The Baptist Children's Homes of North Carolina is a Christian agency providing love and care for more than 800 deserving boys and girls annually. These are dependent and neglected children who, for some reason, have found it necessary to live away from their home.

Your child care ministry is child centered, Christ centered and church centered. It is based on the redemptive plan of God. These children have lost their parents through a number of ways. Workers use all the skills available, plus the help of God, to establish in these children trust in adults, trust in self and trust in God.

Boys and girls live at Mills Home, Kennedy Home, and Odum Home. One hundred twenty five children live in Christian Foster Homes

throughout the state. Some mothers who have lost husband and father receive financial grants in the home which enables them to keep and care for their own children. Well trained case workers are spending an increasing amount of time working with and strengthening families.

It became necessary during the past year to reduce the number of children in Foster Home care by 35 boys and girls. At one time we were caring for 162 children in Foster Homes. We now have 127. This trend can be changed only as we have additional income. Many types of service to children in need are being delayed for lack of money.

Members of the Board of Trustees, members of the staff and our boys and girls wish to thank you for your generous support. You have given these children love, food, clothing, shelter, schooling, medical care, recreation, guidance, music and hundreds of other benefits.

Home for the Aged Report called for.

HOMES FOR THE AGED REPORT

How thrilling it is to minister to the aging in our midst! North Carolina Baptists can be justly grateful for their Christian ministry to 125 residents in their three Homes—Resthaven and the Hayes Home in Winston-Salem, and Albemarle Home in Albemarle.

With 130 people waiting for admission at the present time, lack of rooms is one of our most acute problems. North Carolina Baptists, however, are definitely doing something about this situation. The Hamilton Home, now under construction in Martin County, is proof-positive. This, our fourth Home, will provide for 30 additional residents. It is hoped that the Hamilton Home will be ready for occupancy no later than the first of January, 1962. A debt of $275,000.00 has been assumed on this Home, and for the purpose of completing the liquidation of the indebtedness on the new infirmary at Winston-Salem. There is no further expansion of desperately needed additional facilities anticipated until the major portion of this debt is paid. Special Day Offerings and gifts from the churches should, therefore, be increased greatly in order that we may go in the great task which is ours, and that we might meet the ever-increasing demands of the aging among us as quickly as possible.

We are now in the eleventh year of operation, and the past year has been a great one and a good one. Twenty-six new residents have been received and are now finding happiness and peace, love and security, in their new home.

The Special Day Offerings and special gifts are running 17% ahead

of last year's contributions, and we are profoundly grateful to each church and to each individual for the liberal support to the wonderful cause we represent.

The appointment of Mr. C. O. Weaver of Greensboro, N. C., as Business Administrator of the Homes has proven to be one of the greatest blessings of the past year. This dedicated layman is serving with unusual ability and insight and is making a splendid contribution to the work.

The average age of our residents is around 80, and we rejoice in the fact that the life-span is increasing for them. We are exceedingly grateful that one of them, Aunt Fannie Drumwright, reached her 100th birthday on July 6. She is the first resident in our North Carolina Baptist Homes to attain this remarkable milestone. She is the living example of the years that are actually being added to a person's life by the lovingkindness of North Carolina Baptists through the tender care of our Homes.

One of the most wonderful gifts ever made to the Homes is now coming to fruition. It is the handsome duplex apartment, made possible through the generosity of Miss Roxie Sides of Winston-Salem. This new facility, now under construction on the Reynolds Park Road site in Winston-Salem, will be occupied in the fall, we hope, and will open an avenue for four additional residents.

Along with our many blessings have been moments of bereavement which have saddened our hearts, but we have soon lifted up in the knowledge that God has called His own unto Himself. During the past year the following persons have been called to the Heavenly Home: Mr. Charles V. Pegram, Mr. Jack Stanley, Mrs. Bertha King, Mrs. Leona Wade, Mrs. Bertha Swindell, Miss Cora Byrd, Mrs. Lillie Scott, Mrs. Louise King, Mrs. Lillie Giles, Miss Lucy Stout, Mrs. Mattie Owen, Mrs. Mary Clontz, Mrs. Ida Ayers, Mrs. Rose Blanton.

The happiest times in the Homes ever are when friends and members of our North Carolina Baptist Churches visit us. We extend a cordial welcome to come and see first-hand the things of great Christian significance that are being experienced daily in our Homes and that can never adequately be described on the printed page.

Pray for us, visit us, and continue the same splendid support in the future that you have so graciously given in the past. Remember that we cannot go on without the love, the fellowship, and the help of every North Carolina Baptist.

We the committee recommend that the churches set aside one Sunday a month offering for the disabled ministers of this association. We suggest that each church pay at least Five dollars a month.

PERIODICALS REPORT

Have you ever stopped to think that God chose the use "writting" as His means of self revelation to the world. He made known his nature and will to men through writing. Where would we be today were it not for the divinely-written revelation, the Bible? Since God Himself saw fit to use literature to reveal His will as Christians we obviously, have a divine plan to follow. In 1961 this principle still holds true as we thing of all the Christian literature being written.

When North Carolina Baptists think of their own literature, they think of their State Baptist Paper published since 1833, the Biblical Recorder, and also others, such as, Commission, Home Mission, Home Life Builder, and Charity and Children.

The representative having moved to another Association, and not reporting the report was given by the Clerk.

Was Adopted.

THE NEW FOUND BAPTIST ASSOCIATION

CONSTITUTION

Whereas, the following Missionary Baptist Churches: Antioch, Ball City, Bear Creek, Beulah, Caney Fork, Cedar Hill, Chestnut Grove, Cross Rock, Ebenezer, Flats Spring Creek, Fox Creek, French Broad, Harmony Hill, Hopewell, Jones Valley, Liberty, Long Branch, Lower Big Pine, Lusk Chapel, Meadow Fork, New Hope, Old Bull Creek, Paynes Chapel, Pinnacle View, Price Chapel, Redmon, South Turkey Creek, Turkey Creek, Union, Woodfin, Zion, Churches of the New Found Missionary Baptist Association of North Carolina and other bodies propose uniting by these writings for the promotion of the Redeemer's Kingdom by the maintenance of love and friendship, and by mutual consultation for peace and welfare of each other, the following articles are adopted as the written bond of union:

Section 1 .—The confederation of churches shall be known and called by the name of New Found Baptist Association.

Section 2.—The object of the Association shall be to promote the glory of God on earth by preaching of His Son, Jesus Christ, our Savior, the universal spread of the Holy Bible, the word of the true God, and by other appropriate means.

Section 3.—This Association shall consist of messengers from the churches forming the Union, and such other Baptist churches as may hereafter be received as members thereof.

Section 4.—Each church shall be entitled to as many as seven representatives as delegates to the Association.

Section 5.—The officers of this Association shall be a Moderator, a Vice-Moderator, a Clerk and Treasurer and Assistant Clerk. These shall be ex-officio members of the Executive Committee.

Section 6.—Baptist churches not before united in an Association or those dismissed from other Associations, or those deliberative assemblies of the faith and order of the churches now associated, may be admitted as members into this Union by a majority consent of the Messengers present: provided, they give satisfactory evidence that they are orthodox in faith and correct in practice of the Gospel from other Associations.

Section 7.—This Association shall regard the churches independent bodies in all their internal affairs and exercise no ecclesastical jurisdiction or claim any legislative or judicial power over them.

Section 8.—As every church is an independent body, amenable so far as authority is concerned to the Great Head of the church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit, provided that such church shall be granted letter of removal. While, however, it chooses to continue in this connection, the Association must have a relative right to inquire into its standing, whenever it may be necessary to do so, and in case of dissatisfaction withdraw from it.

Section 9.—That a church ignoring and not abiding by the Constitution and By-Laws of the New Found Baptist Association that a church walking off and joining another association without asking for a letter, if it comes back that it must give sufficient apologies to the Association before being taken back.

Section 10.—In case of internal dissension in a church, and of two parties coming up to the Association, each claiming to be the church, neither party shall take a seat until the question is decided which party is the church in union with the body and the decision shall be made on the same principles on which admission of the church is made, viz: The majority concurrence of the messengers. If neither party obtains a majority vote, the church will be considered dropped. No charges shall be received against a church unless presented from two or more churches in the Union, through their Messengers.

Section 11.—It shall be the duty of the Association to ascertain the general condition of its constituent churches; devise means to pro-

mote their harmony and increase their spirituality and efficiency; to promote the cause of truth and righteousness.

Section 12.—The Association shall hold annual sessions to convene on Thursday before the third Sunday in August in each year, and not adjourn until all business shall have been regularly finished, unless circumstances imperatively demand. The place of meeting shall be determined at each previous meeting and published in the minutes.

Section 13.—When in session the Association shall be governed by the usual rules of decorum and such others as may be adopted for itself.

Section 14.—The Association earnestly requests the churches annually to report their general condition, and to furnish information subjects brought to their notice by the body, and likewise to make up such contributions as may be able to aid in disseminating the truth as contained in the Holy Scripture and in promoting the Redeemer's Kingdom on earth.

Section 15.—The neglect or failure of a church to be represented by a messenger or messengers to the Association for three consecutive years, or report sent in, shall be cause to withdraw from such church, at the discretion of the Association.

Section 16.—Amendments may be made to the Constitution at any meeting of the Association by a vote of two-thirds of the members present: Provided the same shall have been published in the Minutes of the preceding year.

Section 17.—The constitution shall be printed in the Minutes of the Association each year and in force on and after the annual session of the preceding year.

NEW HOPE BAPTIST CHURCH

Asheville N. C. Rt. 1

THURSDAY AND FRIDAY, AUGUST 16-17, 1962

10:15 A. M. The One Hundredth and Seventh Annual Session of the New Found Missionary Baptist Association was Called to order by the Vice-Moderator, Rev. Riley Corn in the Absence of the Moderator Rev. Robert B. Vaughn, who had moved and left our Association. Song Service by the congregation, with O. M. Fish leading, and Herbert Garrett at the Piano. Prayer by Rev. Claude Rice. Roll Call of Churches, 15 answering out of 31 churches, with two not reporting. It was voted to omit the reading of the Consititution and By-Laws at this session. A report was given on the Associational Missionary work mostly, referring to the Vacation Bible Schools by the Rev. Riley Corn, in the Absence of our Associational Missionary Rev. Robert B. Vaughn. The American Bible Society Report was given by Rev. H. H. Mann.

The Introductory sermon was brought by Rev. H. H. Mann, speaking from Romans 7:10, and using as his text, "Sin", brought a wonderful and inspiring message.

12:00 Adjourn for lunch.
Reports given in the morning.
Associational Missionary Report on Vacation Bible Schools.

If each of us could sit at the feet of Solomon, the wisest man that ever lived, surely he would say to every parent and to every church leader, "Train up a child in the way he should go; and when he is old, he will not depart from it". This responsibility lies at the door of the home and the church, God's two greatest institutions. What greater source of teaching and training is there than God's Word, The Holy Bible?

In this day of sin and temptation the church must put added emphasis on the teaching of The Word. The half hour or more that we give each Sunday through our Sunday Schools is fine indeed. But unfortunately it is not enough. The Vacation Bible School, which is actually an extension of the Sunday School, and under its direction,

offers wonderful opportunities to give children, young people and adults twenty or more hours of intensive Bible Study. Nine of our fine churches availed themselves of this opportunity and conducted Vacation Bible Schools with most encouraging results. These churches together with their enrolments are as follows: Antioch 28, Cross Rock 29, Caney Fork 40, Hopewell 38, Payne's Chapel, 59 Lusk Chapel-Ball City (Joint) 56, and Turkey Creek 47, Pinnacle View 27.

We commend these churches on the fine work they have done and would like to challenge each church in our association to conduct a Vacation Bible School next year.

Respectfully submitted,
Riley Corn, Vice-Moderator
Vacation Bible School Superintendent.

AFTERNOON SERVICE

1:00 P. M. Song Service by Congregation. Prayer by Rev. J. P. Davis. Welcome to visitors. (See under heading, Visitors). Hospital Report called for.

REPORT ON BAPTIST HOSPITAL

The services of our Baptist Hospital are subject too heavy demands which grow heavier year by year. Last year the already overcrowded clinics of the Out-Patient Department received a new high of 83,000 visits from 96 counties of the state, sixteen other states, and two foreign countries. Two-thirds of these were by our Baptist people.

One of the most pressing needs is the enlargement of the facilities of the Out-Patient Department. Along with this is the urgent need for a building to provide adequate and unified facilities for the Hospital's eight schools for the training of skilled nurses, technicians, and other

medical personnel, all of whom are in short supply and are essential to good medical care in our local hospitals and communities.

The new Progressive Care Center is attracting the attention of hospital authorities over the country. Patients have been most pleased with it. The trustees and administration greatly regret that the Hospital does not have sufficient funds to permit the admission of Service Patients to this fine facility.

The Pastors Library now contains well over 100 volumes among the best books in various fields of Christian thought and pastoral work. It can be of great value to pastors and they are invited to use it. It is located in the Medical School Library.

The care of Service Patients remains at the heart of the work of the Baptist Hospital. In cases where help will be needed on the hospital bill, it is extremely important that this be made known in advance and the arrangements be made when the patient is admitted to the Hospital. When appointments are requested for examinations it is necessary to let the Hospital know if the person needs to come through the Clinic, or if he will come as a private or full-pay patient. If a doctor is making the arrangements for a patient he should be told to make clear when he calls or writes if it is a Service or Clinic Patient. Mother's Day money cannot be used for Private Patients.

The Mother's Day Fund is the foundation of the financial aid given Service Patients. The Hospital tries to help the most needy cases as much as possible, but the funds have not been sufficient to give as much as is needed in many cases. In other cases of real need it has not been able to give any help, except the free services of the doctors and reduced rates on other items, such as X-rays, which consideration is given all Service Patients. We must remember that the help given is limited by the Mother's Day gifts of our churches.

The Hospital has prepared a full and attractive Information File Folder covering all of these matters in our relations with the Hospital. A copy is being mailed to all our pastors and associational missionaries. We urge you to acquaint yourself with this, keep it in your file and refer to it when questions arise and when arrangements are being made for patients to go to the Hospital.

Respectfully submitted,
Loyd Fish
Hospital Representative

Discussed by Herbert G. Zerof, N. C. Baptist Hospital Representative. Children's Home Report called for.

BAPTIST CHILDREN'S HOME REPORT

During the past year, 848 boys and girls were served by the Baptist Children's Homes. In addition to those already in care, applications were received for the admission of 646 other children. We had space and money sufficient to admit 170 of these—leaving 476 for whom no room

was available. Provision should be made immediately to expand greatly our foster home program to meet the needs of these children. This can be done through an increased Thanksgiving Offering.

Increasingly, your Homes are being called upon to serve children who are disturbed and emotionally ill. In addition to traditional types of child care, there is a growing need for specialized supervision and services. It is hoped that a step can be taken within the year, to begin to provide, on a small scale, such services at the North Carolina Medical Center at Chapel Hill.

Financial support this year has come from the following sources:

Cooperative Program	33 Per Cent
Thanksgiving Offering	30 Per Cent
Once-a-month Offering	16 Per Cent
All Other	21 Per Cent

For the first time, income to the Children's Homes through the Cooperative Program exceeds that of the Thanksgiving Offering. This source of income meets one third of our operating budget and is greatly appreciated. At the same time, the Thanksgiving Offering continues to be vital to our existence, providing 30 per cent of income. We sorely need an increase of one hundred thousand dollars through the Thanksgiving Offering this year. This would enable us to provide a Christian home and care for an additional 125 children.

We owe a debt of deep gratitude to our friends whose genuine concern for the welfare of our children makes this help possible—especially our Baptist people. You have afforded hundreds of boys and girls opportunities and privileges which they otherwise could not have had.

MISSIONS: STATE, HOME AND FOREIGN REPORT

We your committee on State, Home and Foreign Missions believe that through, State, Home and Foreign Missions we can spread the Gospel through the world. Let us work that we might be able to accomplish this work.

Committee: Rev. Marion Wyatt, Loyd Fish, Worth Woody.

Read by Clerk.

Was adopted.

Discussed by Rev. Joseph O. Stroud, State Music Secretary, Baptist State Convention of N. C. speaking from 1 Corinthians 3:9, and on missions. Time was given Peyton J. Brown, Chairman Board of Directors, N. C. Baptist Foundation for which he spoke, and gave a report for our minutes.

THE NORTH CAROLINA BAPTIST FOUNDATION

The North Carolina Baptist Foundation was authorized by the Baptist State Convention in 1919. The Board of Directors organized for business in 1920. From the period of the organization until the present, the Baptist Foundation has had a rather irregular promotion.

The Committee of 25 recommended to the State Convention in 1959 that the Baptist Foundation be fully staffed and activated. It requested the Convention to adopt a budget providing for a full-time executive secretary, with the necessary travel, office expenses, etc. It was not until July 1 of this year that a full-time executive secretary was employed. For the past few months, Mr. Peyton J. Brown has served as Interim Director, without remuneration. The total assets of the Foundation as of June 30, 1959, were $245,131.32. The total assets as of June 30, 1962, were $303,186.66. In these past three years our total assets have gained $58,055.54. This gain has largely been due to the Interim Director and our present chairman of the Board of Trustees, Mr. Brown.

What is the Baptist Foundation? The North Carolina Baptist Foundation is an incorporated agency of the Baptist State Convention of North Carolina. It was created by the Convention for the purpose of procuring endowment funds and for administering said funds for all institutions and agencies owned and controlled by the Convention. It is independent of the cause it serves, but committed to its best interests. It is not a competitive agency, but a service agency dedicated to the task of undergirding all our Baptist work.

Funds usually come to the Foundation through one of five channels: (a) Through a CHRISTIAN WILL. In his will a person leaves all or part of his estate with the Foundation for some Baptist cause. Of course, the Foundation then receives its share when the estate is settled.

(b) Through a LIVING TRUST. A person makes a donation to the Foundation while he is living. The Foundation then administers the fund and directs the income to the Baptist agency of his choice. This allows the donor to see his **gift** at work.

(c) Through a MEMORIAL TRUST. A person makes a gift to the Foundation in memory of a loved one and instructs the Foundation to place the income from it to one or more Baptist agencies.

(d) Through a LIFE INCOME TRUST. A person makes a gift to the Foundation and specifies a Baptist agency as beneficiary, but requests the income for himself as long as he lives. This permits him to receive the earnings to the end of his life and to know the beneficiary of his charity after his death.

(e) Through LIFE INSURANCE. A person takes out a policy in amount in the name of the Foundation and designates the Baptist cause as irrevocable beneficiary. The premium he pays is then tax free as a charitable gift.

TEMPERANCE REPORT

No matter how close we walk with God, we always have a fight against sin. Sin is on every hand and is always presenting itself in many ways. We find so many people who are given to strong drink and its many downfalls. In God's word we find a woe pronounced upon this. "Woe unto them that are mighty to drink wine and men of strength to mingle strong drink." Let us put our trust in God who can protect us from the Sin which doth so easily beset us, and let us run with patience the race that is set before us.

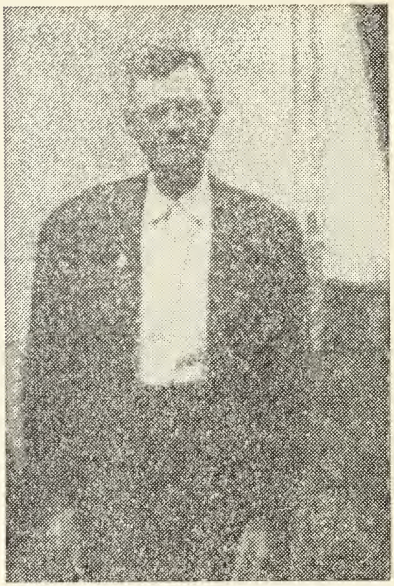
ANNUAL SUNDAY SCHOOL CONVENTION

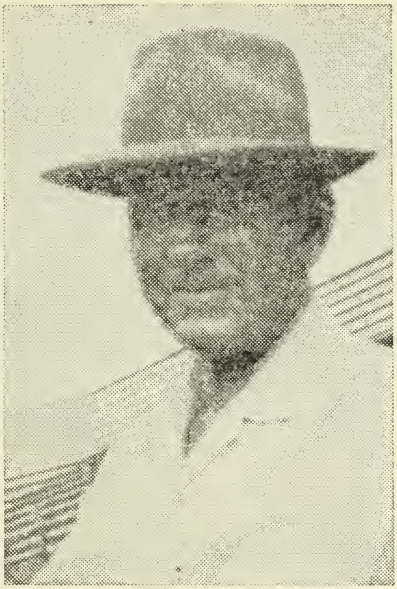
All Proceedings On 20



This page is dedicated to the late Rev. C. A. Worley, who passed away February 14, 1963 at the age of 87. Uncle Canada, as most people knew him was ordained to preach the Gospel, November 15, 1931 at the Lower Big Pine Church.

Rev. Worley pastored various churches in this part of the country. He traveled many mountains over on foot telling the world of Jesus. He held fast to the gospel until his death. Many times he had to have assistance to get into the church, but even then he had a strong testimony for Christ.

We, the members of Lower Big Pine Baptist Church feel it is an honor to have known this great man of God. Our church misses his presence extremely, but we know he has gone to his Heavenly Home.

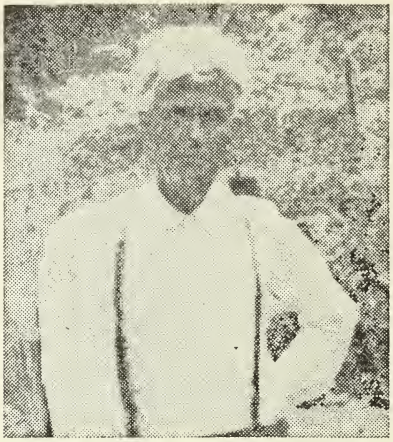


This page is dedicated to A. E. Worley who departed this life November 10, 1962. He was born December 10, 1893.

He joined the church at an early age. Brother Worley was ordained a deacon April 18, 1936 at the Lower Big Pine Baptist Church, where he was an active member in all phases of church work until his death.

His hearts desire as he has often expressed was "to see the church all come together and move forward for the Lord".

We the members of Lower Big Pine Baptist Church feel our great loss but we know our loss is Heaven's gain. All who knew Brother Worley loved him and had a deep admiration and respect for his beautiful Christian life.



In memory of Rev. J. Mitchell Embler, born to John and Bernisa Warren Embler in the Leicester community, raised in Alexander. He was saved when he was thirty years old, and ordained to the ministry in the French Broad Baptist Church in 1924. He pastored in the French Broad and Cedar Hill Baptist Churches, and did Evangelistic work in many churches in Buncombe and the surrounding counties.

He was eighty-two years old when the Lord called him home. He was a member of the French Broad Baptist Church fifty-two years.

IN MEMORY OF

MRS. BEN WADE (SOPHIE RAMSEY) GAHAGAN

Mrs. Ben Wade (Sophie Ramsey) Gahagan, passed away on December 5, 1962 at 78 years of age. She had been in declining health for several years. Mrs. Gahagan was a charter member of the Hopewell Baptist Church and had served the church in many capacities, including, Sunday School Teacher, Singing Leader, Superintendent, and Church Clerk. Her love and service to her church, her family, and community will continue to be an inspiration to others.

Hospital report called for.

HOSPITAL REPORT

The opportunity of serving persons created in the image of God is a high and holy privilege.

You and I have such an opportunity in multiplied thousands of people who are sick in body, mind and spirit, and who come to our Baptist Hospital seeking help. We reach out the hand of love and mercy through the skilled and dedicated hands of our doctors, nurses, chaplains, and many others involved in this ministry to the total person. We are grateful for this opportunity of joining hands with those who soothe the fevered brow, give the miracle drug, guide the surgeon's knife, bring the message of hope, and do the hundreds of other tasks which are necessary in the operation of our great Medical Center.

The number of those who receive the services of our Hospital this year will be greater than the population of one of our medium-size North Carolina cities, such as Goldsboro or Salisbury. Most of them will be seriously ill and referred by their family physicians because they need the kind of care available only in a large medical center. They will come from all areas of our state and from all walks and circumstances of life What a privilege it is to serve these friends in need and what a challenge to our skills and our compassion!

The Mother's Day Fund, which we provide by our special offerings or by an item in our church budgets designated for the Hospital, is the means through which we make it possible for those who cannot pay to have the care they need. The $176,000 which the Hospital receives from the Cooperative Program provided by our churches must go to help pay for buildings, purchase equipment, and support the Department of Pastoral Care.

We call attention to the Service Patient Endowment Fund of the Hospital which we may place in our wills for any amount, or contribute to at any time, and thus continue to be a part of this service of love through the years after we are gone.

We wish to thank our people for their share in this ministry and call upon them to make their support a worthy expression of their Christian concern.

Children's Home Report Called for.

CHILDREN'S HOME REPORT

More children were served by the Baptist Children's Home of North Carolina last year than ever before in history. This was made possible by the interest, prayers and giving of North Carolina Baptists and other friends. We are indeed grateful for every remembrance—the Thanksgiving offerings, once-a-month offerings, Cooperative Program gifts, food, clothing and other things. Without these we could not provide the many services to children and families which we do.

The physical, mental, social and spiritual growth and development of our children has been most gratifying. North Carolina Baptists have every reason to rejoice with the very fine response of these boys and girls to the Christian love and care afforded them. Members of an already fine and capable staff continue to grow in their love for children and their ability to work effectively with them.

We have been reminded for several years of a growing need for specialized services for an increasing number of children who suffer emotional illness. We are happy to report that these services are being provided a limited number of children in a small home at Chapel Hill in cooperation with the University Medical Center. They are receiving the best professional, medical help that can be provided. We are most fortunate to have this facility. It will strengthen greatly our entire program of child care.

We are compelled to keep our pressing needs before you. Applications for the admission of children are increasing. Relatives, pastors, friends of dependent children, departments of public welfare and others plead with the leadership of the Homes daily for help. A familiar plea is, "Unless you can help this child, there is no hope for him." We lay upon your hearts three areas of need.

1. An immediate increase in the number of children in good Christian foster homes in all areas of the state.
2. Continuous expansion and up-grading of facilities to enable the Homes to keep abreast of the best in child care.
3. An increase in financial support to undergird and strengthen the entire program.

A generous Thanksgiving offering is a must! Without it we cannot maintain what we now have in progress. We would challenge Pastors, Sunday School Superintendents and church leaders to make the best of dependent children affords one of our greatest joys in Christian preparation possible for the forthcoming offering. Giving for the care sources:

Financial support for the past year has come from the following sources:

Cooperative Program	33 Per Cent
Thanksgiving Offering	30 Per Cent
Once-a-month Offerings	16 Per Cent
All Other	21 Per Cent

Charity and Children, the official publication of the Homes is now in its 76th year of publication and is widely read by our Baptist people. It has long been one of the best religious papers published among

Southern Baptists. Every family in every church is invited to be among its readers to keep informed about our child care program and the world mission of our Lord. An issue of **Charity and Children** can be enjoyed each week during the year for only sixty cents. See that your church receives it.

Home for the Aged Report Called for.

HOME FOR THE AGED REPORT

God has blessed the ministry of our North Carolina Baptist Homes in a wonderful manner during the twelve years of our operation, and the past year has been filled with His goodness.

We are now able to serve 160 residents in our four Baptist Homes—the Hayes Home and Resthaven in Winston-Salem, the Albemarle Home, at Albemarle, and the Hamilton Home, at Hamilton.

In June of 1962, the doors of the lovely new Hamilton Home were opened to the first residents, and the halls have been ringing with the laughter and the happiness of the residents there since. This beautiful facility has greatly lengthened and strengthened the arm of our total ministry, and has already brought much joy to our Baptist people in Eastern North Carolina. We are looking forward to the day in the future when the arm of compassion can be extended to reach and serve more of our aging people in Western North Carolina.

The greatest single need is for more space continually. Today there are 160 people waiting for admission, from all areas of our great State, and it is an heart-breaking experience to keep these dear people waiting who so urgently need to come.

The average age among our residents is 80. Our youngest is 65, and our oldest resident will be 102 in July. Between this age span, we are seeking to meet almost every conceivable life need of the individual. Each person, in an atmosphere that is distinctly Christian, is surrounded by love, peace and security. Perhaps one of the greatest single contributions that is made is the nursing care that is given in the event of illness. The resident is assured that he will receive tender loving care in sickness as well as health. Years are literally added to the life of a person in our care, we feel.

The tie with our Baptist people and our Baptist Churches is a blessed one indeed. We are continually dependent upon the prayers, the visits, the loving concern and the financial support of our people. The two most vital media of support from the churches are the Special Day Offerings, received on the third Sunday of February each year, and the Homes' share in the Cooperative Program. Inasmuch as we receive only1-3/10% of the State Convention's share of the Cooperative Program, or $7.92 out of each $1,000.00 contributed through the Cooperative Program, we shall have to continue to look to the Special Day Offerings for the greater part of our support from the churches.

North Carolina Baptists have given a good account of their stewardship in their ministry to the aging during these years of a wonderful beginning, and we have the faith to believe that they will continue to move forward in this great area of human concern.

Never before in the history of time has there been as much literature being published as there is today. But so much of it isn't fit for our children to read.

We Baptist have many religious papers such as "Charity and Children and the Biblical Recorder". The Recorder is 130 years old and made its first appearance in 1833. Today it has more than 80,000 subscribers.

We also have the Bible which is the greatest of all books. There is a great need for more Bible Study in our homes and churches.

For the Blind, it supplies Scriptures at a small fraction of their cost, in Braille and other raised-letter systems and on Talking Book records.

2. People must have the Bible because it presents Jesus Christ, the one hope of men and nations.

Because of the lack of time the Associational Missionary report was to be read later, but the report was failed to be turned in.

AFTERNOON SERVICE

1:30 P. M. Song Service by Congregation. Prayer by Rev. James A. Greene. Welcome to Visitors (See under heading Visitors). Time was given to Peyton A. Brown, Raleigh, who brought the report on, North Carolina Baptist Foundation.

N. C. BAPTIST FOUNDATION REPORT

In the widest sense Stewardship "is the maximum use of one's life for the glory of God and the good of mankind." The North Carolina Baptist Foundation, Inc., encourages the Stewardship of Current Income in systematic and proportionate giving from current income. The Foundation also encourages the Stewardship of Accumulated Possessions by single block giving at infrequent intervals from accumulated income during one's liftetime and or at one's death. You will note that the Baptists have put the major emphasis on the Stewardship of Current Income. The Baptist Foundation seeks to put a stronger emphasis on the Stewardship of Accumulated Income. There are many ways that the

the Foundation assists a person in making his gifts through accumulated income such as: (1) by living trust, (2) by gift annuity, and (3) by requests in wills.

The Foundation also serves by meeting with you and your attorney upon your request in connection with preparation of legal documents where the Baptist Foundation is to be involved. The Foundation offers services to individual churches, associations, and to all of our Baptist agencies and institutions.

We have been emphasising the making of Christian wills. We have two films, "God's Will Through Yours" and "Treasures In Heaven," on Christian will making, which are available to any organization upon request.

Hospital Report Called for.

HOSPITAL REPORT

The trustees and administration of our Baptist Hospital have expressed their appreciation for the interest and concern our churches have shown in the ministry of the hospital. In behalf of thousands of our people who cannot pay for the skilled care received at our Medical Center, they express their thanks for our Mothers Day gifts which make this service possible.

This is a crucial year in the life of our hospital. It is serving more sick people than ever before in its history. At the same time, the needs continue to grow faster than its capacity to serve. For more than a year there has been an average of above 700 sick people on the waiting list for beds. A number of seriously ill or injured persons have had to be sent from the emergency rooms to other hospitals because no beds were available.

Another difficult problem is that of meeting the cost of caring for those who cannot pay for the service they need. Within our state there are many older people who live on a meager Social Security or Old Age Assistance income, families whose savings and sometimes their ability to earn have been wiped out by long and serious illness, and great numbers who cannot rise above the poverty line. All who come must pay for their medical care in so far as they can, but there are great numbers who simply cannot pay the full cost. Our hospital tries to get all the help it can for these persons from welfare and health agencies, but these agencies do not pay the total cost and many persons are not eligible for such assistance.

The hospital receives a share of our Cooperative Program money, which helps to support the Department of Pastoral Care and provide equipment and facilities required in the work of the hospital; but the Mother's Day Fund provided by our churches is the only means the hospital has of bridging a wide gap between the funds available and the cost of caring for those who cannot pay for their medical service.

Our hospital and medical school are beginning a large development program greatly to increase the capacity of our Medical Center to care for our sick people and to train additional doctors, nurses, and other personnel to serve in our communities, on our mission fields, and wherever these trained persons are so badly needed. The people of the Winston-Salem area have expressed their confidence in our Medical Center by pledging more than seven million dollars to this enlargement program. Our great concern is that, when our hospital has increased its capacity to meet our specialized medical needs, will our churches pro-

vide the money to take care of those who need these services but cannot pay for them.

This is a heavy burden on those who are responsible for the operation of our hospital. We are confident that if our people are informed of the work and the great need, they will provide the necessary means. We call upon our pastors and other church leaders to lay this upon the hearts of their members. It is a greatly needed and wonderful ministry to which Jesus gave himself without reserve. We who are His followers must not fail those to whom he would minister through us.

Respectfully Submitted,

Loyd Fish,

Children's Home Report Called for.

CHILDREN'S HOME REPORT

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. No task is more important than helping a child to grow into healthly, well-adjusted, responsible citizenship. At the Children's Homes we seek to provide the proper atmosphere, encouragement and supervision to assure the development of in-born God given powers of our children. This is the continuing purpose of your child care program.

Food, clothing, shelter are necessities given every child in the Baptist Children's Homes. They receive carefully planned, well-balanced and nourishing meals. They have a comfortable and attractive place in which to live with care and respect to each child's personality.

Of greater importance than material things is the genuine interest, concern and love given every child by Christian men and women on the staff. Many children who have known only heart break and tragedy learn to love again—learn to trust in themselves, in adults and in God. They find a measure of self-confidence and individual dignity because the Homes operate on the conviction that every child is precious in the sight of God.

Jesus devoted a great deal of His time and energy to the needs of the underprivileged people of His day. How would you like to join Him in our day in making life meaningful and happy for boys and girls who have no home and, who for some reason, know not the love of mother and father—children for whom the future has little to offer? How would you like to help boys and girls who have no hope to come under the impact of the saving grace of our Lord? How would you like to awaken to fruition the intellectual potential of boys and girls who can serve the up-lift of mankind and the furtherance of God's Gospel around the world? This can be done as you join hearts and hands with other friends of dependent children in making a way of life possible for them.

Genuine appreciation is expressed by those who direct our child care ministry for all who support this cause in any way. Income through the Cooperative Program, through the Thanksgiving offering and

through special gifts are vital to the services which are provided those who need our help.

Financial support for the past year has come from the following sources:

Cooperative Program	33 Per Cent
Thanksgiving Offering	30 Per Cent
Once-a-Month Offerings	16 Per Cent
All Other	21 Per Cent

Home for the Aged report called for.

HOMES FOR THE AGED REPORT

Our Baptist Homes have just completed their 13th year of operation and are entering into the 14th year with eager anticipation and with much enthusiasm. God has blessed these brief years with an abundance of His love and with the good things of life. Growth has been rapid, the development of facilities amazing, and the need for additional space staggering. We have come from 1 resident and 1 building, since March of 1951, to 160 residents and 4 buildings in 1964. Today there are 170 people waiting for admission. There are hundreds of inquiries during any given year from aging persons who are sick, for whom we cannot care because of lack of bed patient space. We must give an answer to these good people and begin now making plans for a nursing facility that will be large enough to receive some of these who are sick, or invalids, at admission.

The choicest bit of news for 1964 is the development of a 5th Baptist Home, to be located at Yanceyville, North Carolina. We are hoping to begin construction on this new project during this year, and thus, the burden of our hearts will have been relieved, in a measure, by being able to care for 30 additional residents. The Home at Yanceyville is the greatest single bequest that has ever been left for us in our ministry. Enough land at Yanceyville and money were given to the Baptist Foundation of North Carolina for us, by the late R. Sterling Graves and his sister Mrs. Sallie Willie Graves Bradsher, to build and equip the Home there. Even so, we will still need to look to our Baptist people for the maintenance of this Home and for assistance in supplementing needy residents who will live there through the years.

Today North Carolina Baptists are contributing an average of $90.00 a month on the cost of 90% of the residents who live in our four Baptist Homes at Resthaven and the Hayes Home in Winston-Salem, at the Albemarle Home and Hamilton Home. This support comes through Special Day Offerings, received in the churches on the third Sunday of February each year, through designated gifts from church budgets, and through the Homes' share in the Cooperative Program. These needy residents could not possibly be with us, nor could they receive the loving care that they do, if it were not for the gifts from our 3400 Baptist churches. Ernest heed should be given by each church, therefore,

towards increasing the amount of Special Day Offerings and designated gifts to the Homes. This should be emphasized especially in view of the fact that there was a 5% decline in gifts to the Homes during 1963. We will not have an accounting on gifts for 1964 until September, but we can only hope that there will be a considerable increase.

Life among the residents these days is most interesting and filled with a variety of experiences. The youngest resident celebrated her 66th birthday in January, and the oldest her 103 birthday in July. Some are doing creative writing, others sewing, gardening, teaching, painting, and living a good life in general. All are praying for a world and its needs. All are expressing thanksgiving to God for the people called, "Baptists," and for the happiness and security of the Homes that our Baptist people are helping to make possible for them.

There is nothing to prevent our receiving any needy aging person, 65 years old and above, who is reasonably well, mentally and physically, except lack of space. Let us join our hearts in prayer and our lives in dedication that we may give a good account of our stewardship in this area of human concern and give an answer to as many of these dear people as possible.

PERIODICAL REPORT

As another year has come and gone, we realize that things have changed and more progress is being made each day. But as we look back through the year, can we see anything that we have done for our Lord.

In the modern world nothing stays around very long that doesn't have some definite purpose and mission. The Biblical Recorder, now 131 years old, grows in strength and stature because its course is fixed upon the primary purpose of service to the Baptists of North Carolina.

Never has there been a day when the Christian witness was more needed in dealing with the problems of the world. The church at work in the world needs all the information and insight it can get. Our democratic form of church government is founded upon the belief that people will do the right thing when properly informed. To help Baptists fill these needs, the Recorder seeks to do the following:

1. TO INFORM. Baptists cannot properly do until they properly know. With special attention to the interests and needs of Baptists in this state, the RECORDER staff gathers, sifts and publishes significant news from as many source as possible. It keeps abreast of the important activities of the State Convention and its agencies and institutions. As much as possible, news from the wider circles of the Southern Baptist Convention and the entire Christian world is presented.

2. TO INTERPRET. Increasingly it is becoming necessary for responsible publications to help readers understand the meaning of events. The reasons are many. Daily the world becomes more complex and events and personalities become more entangled. Most people face such a flood of information and propaganda from every direction that it is hard to sort out the important things, set them in proper context and understand them. With the resources of full information, close contact with denominational leaders, pastors and others, plus many years of experience, the RECORDER seeks to say something about the meaning of events as well as reporting them.

3. TO INFLUENCE. Like the individual Christian, a Baptist paper has a responsibility to let its light shine in the world. A long record of service, integrity and courage has earned respect for the voice of the RECORDER both within and without the denomination. Proper use of that voice, lighted by the New Testament and conscience, is both a service and a sacred trust.

But as we look back on all this, we find that the Bible does all this and more. It gives us peace, joy, and comfort when seems like everyone has turned their back on us. Let's each of us try to read our Bibles more and each day thank the One above for giving us such a roadmap.

As I once heard a man say "I have read the Bible through from back to back and studied it and there is nothing that will take its place." These may not be the exact words that were spoken but it is true and let's all be more thoughtful and read the Bible daily and do more for our Lord each day we live. Let it be the light in our lives until we come down to the end of the way.

Respectifully submitted,
Miss Joyce Fox

American Bible Society Report Called for.

AMERICAN BIBLE SOCIETY REPORT

Bible Societies are organizations whose main work is assisting in the faithful translation of the Scriptures, publishing them in convenient forms and distributing them, without profit to people who need them and

might otherwise not get them, and in whatever language is required. The American Bible Society is the principal agency of the churches of the United States in these aspects of their missionary work.

The first of the world-wide Bible Societies was the British and foreign Bible Society established in England in 1804. The American Bible Society was established in 1816, and they plan for their 150th Anniversary in 1966 at which time they will launch an advance program to be known as World Opportunity Fund.

The average annual circulation is over 12,000,000 volumes. They work in more than 40 countries and annually distribute Scriptures in these countries in more than 100 different languages. The budget for 1963 was over 5 million.

1835 the American Bible Society has been supplying embossed Scriptures for the blind. A Braille Bible requires 20 volumes. These books are furnished to the blind at 25¢ a volume, although costing many times that amount.

The American Bible Society has as its single purpose the encouragement of the wider circulation of the Holy Scriptures without note or comment and without profit, to every person on earth in what ever language he may require. It is a voluntary organization, supported by many individuals and denominations.

The program is fourfold: translation, publication, distribution and stimulation of use of the Bible. Our Missionaries depend on the Society for Scriptures they need for their people. Your gifts can help in this great work. Send them to the Baptist State Convention in Raleigh marked the American Bible Society.

A Congolese boy wrote: "I have a great pleasure to write this letter to you—because I want one Book too necessary for me. The Book is the Bible".

TEMPERANCE REPORT

Wine is a mocker, Strong drink is raging, who so is decieved thereby is not wise. We feel that we need to cry out against strong drink, in any form, and warn our people of the harm of it and preach Christ to them that they might be saved and find joy in Christ without having to turn to Strong Drink for joy.

TRAINING UNION REPORT

These are exciting days for the ministry of Training Union. Many new ideas, new materials, and a new seriousness to our need for Christian training are coming to us through our Training Union.

This has been a busy year for Training Union in the Association. Your Associational Training Union director and or other associational officers visited in 4 churches throughout our association this year. We assisted in the organization of no new Training Unions.

Special projects engaged in include: (Pastor-Led Enlargement Campaigns, Leadership Schools, Clinics, Associational Officers' Training Meetings, etc.)

We have 2 Training Unions in our Association with an enrollment of 50. Our goal for next year is more Training Unions.

May I urge each of you to study and stay up to date with current Training Union materials, especially The Training Union Magazine.

Also, may I thank each of you for your prayers, assistance, and support in carrying on the Training Union work. I would like to pledge to you my best during the coming year, and beg you to support and use your Training Union as a means toward a more effective Christian witness through the local church.

Respectfully Submitted

In memory of Mr. and Mrs. O. M. Fish who passed away last year. Mrs. Fish died June 12, 1964; Mr. Fish died December 30, 1964. They had been in declining health for some time. They were both active members of Lusk Chapel Baptist Church and had served the church in many capacities. Mr. Fish was the Adult Sunday School teacher, Choirster and Church Clerk. Mrs. Fish was Sunday School Secretary, and also Secretary of the Training Union. They were both regular delegates to the Association.

Their love and service to the church and community will continue to be an inspiration to others, and they are greatly missed by all.

Section 7. -- This Association shall regard the churches independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

Section 8. -- As every church is an independent body, amenable so far as authority is concerned to the Great Head of the church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit, provided that such church shall be granted letter of removal. While, however, it chooses to continue in this connection, the Association must have a relative right to inquire into its standing, whenever it may be necessary to do so, and in case of dissatisfaction withdraw from it.

secutive years, or report sent in, shall be cause to withdraw from such church, at the discretion of the Association.

Hospital Report called for.

REPORT ON BAPTIST HOSPITAL

More than 35,000 sick people were seen in the clinics of our Baptist Medical Center in Winston-Salem last year, and more than 19,000 were hospitalized for bed care. These sick people came from all sections of our state, out of all kinds of financial circumstances, and with almost every type of serious disease and sickness known to man. Most of them were sent by their local doctors, because they needed specialized facilities and skills such as those found at our Baptist Hospital.

In addition to the sick people who were served, there were more than 700 persons in training in the various fields of medical care and Christian service. These students were studying in ten different schools, and in other fields of training in our Medical Center, and

will go out to serve as physicians, nurses, technicians, pastors and other Christian workers, in our communities and churches throughout North Carolina and on our mission fields around the world. These schools offer excellent opportunities, and they are interested in qualified Baptist young people who wish to invest their lives in useful service to their fellowman and in the Kingdom of God.

The ministry of our hospital to people who are seriously ill and in meager circumstances lies at the very heart of its total work. All of our Mother's Day offerings are used for this purpose: when the doctors have given their skilled services without charge to these patients, and the money available from all other sources is added, every dollar we give is multiplied nine times over in free service to those who need help.

It is a high privilege for us in our churches to minister to the name of the Great Physician, through our hospital, to these multitudes who are sick. It will be a welcome voice when the King shall come in His glory and we can hear Him say: "Come, ye blessed of my Father; for I was sick, and ye visited me."

Respectfully submitted,
Loyd Fish

Report read by Loyd Fish was adopted. Discussed by Lowell E. Sodeman, Baptist Hospital, Winston-Salem, N. C.

Childrens Home Report called for.

CHILDRENS HOME REPORT

The care of dependent, neglected and homeless children is the central mission of the Baptist Children's Homes of North Carolina. In addition to providing care for children it is the purpose of the Homes to join hands with other Christian forces to strengthen wholesome, Christian family life throughout the state. Our people have supported this ministry in a most generous and commendable way.

Our Homes are serving as many people who need our help as possible. They are dependent upon North Carolina Baptists for support. Every gift, however small or large, is appreciated and is used for the purpose for which it is given. Income through the Cooperative Program is becoming increasingly important.

The Thanksgiving Offering of last year, is approaching three hundred ten thousand dollars ($310, 000. 00) and is the largest ever given. This suggests that our people welcome an opportunity to support the "Helping Ministries" of the church which are close to the heart of our Lord.

Two estates have made possible two very fine buildings which have just been completed on the Mills Home Campus. Income from the estate of Mr. and Mrs. Leland J. Sandler of Anderson, South Carolina, was used to build a library. An addition to the church was financed from the estate of Robert M. Idol and Lela Idol of Winston-Salem. These buildings will fill a most useful purpose in the educational and religious life of the Mills Home family.

There is a growing need for good Christian foster homes in which children needing this kind of care can live. Many families are finding much happiness and a great opportunity for service in caring for foster children. Thus, many boys and girls are privileged to grow up in Christian homes who otherwise would not have this opportunity. Should you have an "extra measure of love" to share in this way the Homes would like to know of your interest.

The need for a home in the western part of the state, more adequately to serve the people west of the Blue Ridge Mountains, has been discussed in various meetings and conferences. The possibility of such a home is meeting with genuine interest and enthusiasm. Attention is currently being given to a suitable location.

Members of the Board of Trustees and members of the staff of the Children's Homes are committed to the task of maintaining a Christian program of child care--a program that will merit the undivided support and loyalty of our people and that will bring honor to our Lord. To that end it is our purpose to meet, as effectively as possible, the challenges of our day.

Respectfully submitted,
Herbert Garrett

Report read by Herbert Garrett was adopted. Discussed by W. R. Wagnor, General Superintendent, Thomasville, N. C.

Home for the Aged Report called for.

HOME FOR THE AGED REPORT

The day that North Carolina Baptists launched a ministry to the aging fourteen years ago was a good day indeed. Since that time four Homes for the Aging have come into being, and a fifth one is in the making. Many elderly people have been blessed by this compassionate ministry through the years, and today 160 people are in residence at Resthaven, and the Hayes Home in Winston-Salem, the Albemarle, and the Hamilton Home in Hamilton. When the proposed new Home at Yanceyville is completed, there will be capacity for 200. It is anticipated that construction will begin on the Yanceyville Home during 1965.

This labor of Christian love and nurture is ours together, and we could not operate without the concern, the prayers, and the financial support of our Baptist people. This financial aid from the churches comes to us through two very vital avenues--the Special Day Offering, received on the third Sunday of February each year, and the Cooperative Program. Special Day Offering receipts for 1964 were at an all-time high and exceeded $96,000.00. Through these gifts we were able to supplement from 80% to 90% of our needy residents who could not be with us otherwise.

It is urgently hoped that the Special Day Offering for 1965 will be the greatest ever, especially in view of the pressing and ever-increasing needs of the aging in our midst who seek our help. The waiting list now is 175 and grows almost daily.

As the great heart of the Saviour yearns for all in the various areas of human need, we are grateful that He has commissioned us to include also a special ministry to the aged among us. We have responded to His plea, we are giving an answer to Him for these elderly people who are very dear to Him, and we pray that every church in our State Baptist Convention will be very careful to give increasing emphasis to this vital ministry.

Respectfully submitted,
Oscar Haney

TEMPERANCE REPORT

Galatians 5:22-23, tells us that the fruit of the Spirit is love, joy, peace longsuffering, gentleness, goodness, faith, meekness, and temperance.

Temperance means total abstainance from alcoholic liquors. One of the greatest distructions of this modern world is alcohol.

Advertising of alcoholic beverages alone has a great influence on our children, our families, our communities, and our nation.

We as Christians should live a spiritual life and abstain from the sins of the world, so that we will be able to bear spiritual fruit.
